of fencing

VISION:

*Healthy and productive lands and waters
cared for by thriving communities.*

OUR PURPOSE:

*To be the regional leader working with land
managers, communities, other organisations and
governments to protect and improve the health of the
region's natural resources (water, soils, biodiversity)
to improve the health and sustainable productivity of
the Corangamite region.*

APPROACH:

- Enabling
- Collaboration and inclusion
- Sustainability
- Learning and continuous improvement
- Health and well-being
- Leadership
- The Victorian Public Sector Values and Behaviours.

Acknowledgement of Country:

The Corangamite CMA acknowledges the traditional custodians of the land and waters where we work and pay our respects to their elders past, present and emerging.

PARTNERS

The main business of the Corangamite CMA is to engage, support and enable partners to protect and improve the health of the region's natural resources. We value our partnerships and will continue to work closely with:

- Community
- Traditional Owners
- Farmers / Landholders
- Landcare and Citizen Science volunteers
- Local Government
- Water Corporations
- Australian Government
- Victorian Government
- Universities
- Technical Specialists
