

# Senior Project Officer – Major Project Delivery

## Senior Project Officer – Major Project Delivery

- 0.8 FTE - Full time, 3 year contract
- Enjoy a great work life balance with a hybrid working model
- Join an organisation with a fantastic culture

The Corangamite Catchment Management Authority (CMA) is a Victorian Government statutory authority whose role is to work with and support natural resource management agencies, Traditional Owners and local communities to improve sustainable land use, biodiversity and water resources management extending from Ballarat south through the Western District Lakes and Victorian Volcanic Plains including Colac and Geelong, through the Otway Ranges to the coast along the Great Ocean Road.

## About the opportunity

We have a fantastic opportunity for an experienced Senior Project Officer to join our Water Infrastructure team to develop, manage and deliver major water infrastructure projects. Projects will include fishway planning and delivery, fish habitat works, flood recovery, environmental water and drainage infrastructure project delivery and maintenance in line with the CMA's asset management framework and systems.

The role is full time, three-year fixed term position and we will consider applications for 0.8FTE. We offer flexible work arrangements and support working from home in combination with working from our main office in Colac. We also provide the option of working from Geelong for some of your time.

This role will suit someone with several years' experience working with communities in natural resource management who can hit the ground running. Remuneration for the role is \$95,780 - \$106,966 per annum depending on experience plus superannuation.

## About you

To be successful in this role you will have:

- Several years' experience working with communities in natural resource management, environmental management, water infrastructure project delivery, agriculture or community engagement and a relevant diploma or degree qualification or significant relevant experience.
- Qualifications and /or training in project management will be highly regarded.
- Proven project design, delivery and management skills and experience with the ability to effectively manage resources and provide specialist advice.
- High level interpersonal, engagement and communication skills with the ability to build and maintain relationships with key stakeholders.

- Demonstrated ability to provide clear and quality technical advice and information both verbal and written.
- Demonstrated ability to solve problems of a complex or technical nature.
- Demonstrated ability to contribute to a positive, inclusive organisation culture.
- Demonstrated ability to model the CCMA's Approach and the Victorian Public Sector values and behaviours.

## What we offer

At Corangamite CMA employees enjoy a range of employee benefits including:

- Professional development and training opportunities
- Generous employment conditions including flexitime and purchased leave
- Flexible working arrangements including working a combination of office and remote working (work from home)
- Employee Assistance Program
- A fantastic workplace culture

## Get in touch

For more information regarding this role and to discuss your situation, please contact Denis Lovric, Manager, Water Infrastructure on 0407 559 163.

To apply please send your application including a cover letter and CV to [HR@ccma.vic.gov.au](mailto:HR@ccma.vic.gov.au) by midday Monday 27 January 2025.

## About Corangamite Catchment Management Authority

At Corangamite CMA our mission is "Healthy and Productive Lands and Water cared for and enjoyed by thriving Communities". Our purpose is to be the regional leader working with land managers, communities, other organisations and governments to protect and improve the health of the region's natural resources (water, soils, biodiversity) to improve the health and sustainable productivity of the Corangamite region.
